Joe,

I just spoke with Sgt. Lopes and he said that pending Harvard's availability to perform the details, he will hand it over to HUPD. However, to make this an easier process, Lee Kennedy should schedule monthly detail requests CPD since this is a 14 month project. **At no point in time should Lee Kennedy schedule these details through HUPD.** Can you please have someone from Lee Kennedy connect with Sgt. Lopes at the detail office to further discuss?

I've copied Sgt. Lopes on this meial.

Thanks,

Chris

Hi Joe,

I will follow up with the Sgt from CPD because he's the one that has conversations with HUPD. In the interim, LKCo should schedule details through CPD.

Thanks,

Chris

One item to follow up on – I asked LKC and they have not scheduled any details yet! They're going to reach out to CPD, but did you hear anything back from HUPD on this posting?

Thanks,
Joe

Subject: HUPD Police Details - Adam's House Project

Hi Dan,

I hope all is well. I was hoping that we could connect about the upcoming Adam's House project, that is scheduled to begin in June 2019. FAS , the City, and myself, have been working on a traffic management plan, including police detail locations. **Please see attached.** There will be a critical need for a police detail or details on a daily basis given that there will be heavy pedestrian traffic in this area with students, faculty, staff, and general public. The project was wondering, if your team had the bandwidth, if something could be arranged with CPD similar to Lowell House and the Smith Campus Center, where HUPD took over the police details from Cambridge. I don't want to step on any toes, so I thought I would start with this email to see what would be feasible on your end.

Thanks,

Chris
